Spotlight Corner

On May 16, 2009, Alderman Scott Waguespack presented Children's Empowerment Awards at this year's Kids Day America/Mayfest event in Lakeview. Dr. Julia Rahn of Flourish Studios nominated Sarah Cobb to receive this special award for the extensive volunteer work she has done for NPN. As board president, Sarah is committed to helping NPN succeed in its mission to provide Chicago families with the information, support and resources they need to help them navigate day-to-day issues and build stronger communities.

Kids Day America is a free community event focused on the education of children in the areas of health, safety and the environment. As part of the 15th annual Kids Day America/International, kids across Chicago have the chance to get free health screenings, safety information and more. Proceeds raised by event sponsors benefited the Lakeview YMCA.
